

Wesley Anne
Bar-Restaurant-Etc
250 High Street Northcote 3070
03 9482 1333

FUNCTION INFORMATION

The Wesley Anne function room has a capacity of 120 standing or 80 seated and is available for hire for groups of over 50 guests at no cost provided that there is a minimum expenditure of \$1000.

In addition 50% of the minimum spend is to be placed on food and this amount is payable one full week prior to the function date. (Please see attached function menu for pricing)

Payment may be made in person by cash/credit card or via direct deposit.

“Drinks only” functions will generally only be considered for the beer garden or outside of peak hours.

We are licensed until 1am Monday to Saturday and 11pm Sundays

The room may be set to your liking with as little or as much seating as required and it is possible for us to set a wine station within the function room if desired (beverages other than wine must be ordered from the main bar)

You are also free to dress the room as you like and we are happy to liaise with your florist or decorator. Decorating items may be left overnight but we do request that they be collected before open of business the following day.

As a live music venue we have a professional PA system and equipment that may be utilized should you wish to have a band etc perform at your event (please note however that we are unable to provide technical support for live music and strongly recommend the engagement of an experienced sound engineer) Alternatively we are easily able to connect your ipod, CD player or other personal music device to the sound system or you may simply use our in house music.

Further questions and booking enquiries should be directed to the Manager.
